ARMY PUBLIC SCHOOL

About Us

- Army Public School, LBS Marg, was established on 1st April 2009 in Lucknow Cantonment to meet educational requirements of children of personnel from the armed forces.
- Our aim is to provide Quality Education to the children by offering all the modern educational facilities and ensure all round development of the students.
- The School is a co-educational institution running classes from 1 to 12.
- We prepare our students not only for exams but also for life, to become conscious and contributing members of the society, proactive agents of change, builders of peace and co-existence and upholders of high moral values so that, they can serve humanity at large.
- We employ innovative methods of teaching including 'play and learn' and 'learning by doing'. Our endeavour is to generate interest in the students and develop their self confidence and will power.

Vision and Mission

- The School has a vision of a new world in which relationships are governed by the spirit of universal fraternity.
- The mission of the School is to prepare courageous and brave students who can demand from themselves tireless labour and inner discipline directed towards self-control and self-mastery.
- The School is engaged in providing facilities and opportunities to students to develop strong and healthy bodies.
- The School is dedicated to serve the highest interest of nation-building that can ensure vast synthesis of knowledge and harmonious perfection of the individual and collectivism.

Our Aim

The School aims at developing in its alumni a scientific temper, modern outlook and love for the motherland, imbibing its culture, heritage and traditions, besides imparting academic education. The School endeavours :-

- To impart integral education, general as well as vocational to all irrespective of caste, creed and colour ; in an atmosphere of purity, efficiency, discipline and fraternity; with special emphasis on moral and spiritual values and character building rooted in Indian culture.
- To ensure all-round development of integrated personality of the scholars through efficient education under guidance of teachers of very high physical, intellectual and cultural calibre with total dedication.
- To develop integrity and fullness of versatile personality so that there is total dedication to service to the man-kind.
- To provide training in leadership and experience in self governance through prefectural system and other allied positions of responsibility.
- To develop creative potential of the children through painting, dance, music and other forms of performing arts.
- To promote national integration and foster international understanding and brotherhood.
- To instill amongst learners an awareness for maintaining environmental purity and ecological balance.
- To improve self-confidence and creativity through participation and involvement in co-curricular activities.

Objectives

- We strive to give secular education and equip the children with a sound and happy disposition to face life with discipline, courage and confidence. To attain this goal we work on the following elements :-
- To provide quality education and to emerge into life with confidence.
- To develop individuality without forgetting the importance of team work.
- To help and support those who are in need with a sense of compassion without losing dignity.
- To be pace-setter in whatever field they choose, wherever in the world they may be.
- To provide all possible opportunities and facilities to develop their personality and innate qualities by conducting co-curricular activities from time to time.
- To provide them modern facilities like a well managed computer lab and a rich library having a good collection of encyclopedias, reference books on various subjects, English dictionaries, story books on various genres.
- To prepare students for college and beyond & be competent not only at national level but also at international level.
